**We are looking for engineering firms, technical societies and universities to be exhibitors!**

**Come join us to provide a fun filled morning of hands-on activities, games, and demonstrations that will inform and inspire students about engineering!**

**Future City® Competition** is a hands-on, real-world experience for 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders to learn how engineers shape the world we live in today & tomorrow.

Students work as a team with an educator and engineer mentor to:

- Design cities using SimCity™ software;
- Research and write solutions to an engineering problem;
- Build tabletop scale models with recycled materials;
- Present their ideas before judges at the Regional Competition in January.
